COLLAPSE

I didn't take a photo. *Why* did I not take a photo? How many other chances will I have to take a photo of Carrot Cake's Evil Twin?!?!

COLLAPSE

It wasn't EVIL. Just because you bird things are diurnal, doesn't mean darkness and chocolate are BAD.

COLLAPSE

You can tell it was evil because it had a goatee.

 [Ometotchtli](#)

[October 1 2008, 17:21:06 UTC](#) [COLLAPSE](#)

Is a goatee the target of the attentions of a goater?

(Gah. I think I just channelled Duke.)

Does a boatee wear a boater?

How's your feet?

 [Ometotchtli](#)

[October 1 2008, 17:28:15 UTC](#) [COLLAPSE](#)

Oh, how I hate to say this.

You were right to tell me to wear flats.

There, mark your calendar. Now, where's my foot massage? =:+3

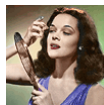

(Also, I have "step, step, rock step" in my head like an earworm.)

 [cvillette](#)

[October 1 2008, 17:30:49 UTC](#) [COLLAPSE](#)

Come over here and put your feet on my desk. Mom's out, and Dad won't say a word....

He better not. Or he gets a teeny tiny Denial of Service problem.

(As soon as I forget the pain, can we do that again?)

Is the pope catholic? Is this conversation workplace-inappropriate?

Oooh, happy Notaboy and Notagirl!

[October 1 2008, 18:25:51 UTC](#) [COLLAPSE](#)

...sorry. That came with a pretty strong visual.

I think I'm going to hide under the underwear until it passes.

Hopefully, the bleached ones.

Aww, your tan's fading already. Look at the cute red face!

 [trollcatz](#)

[October 1 2008, 17:30:20 UTC](#) [COLLAPSE](#)

Does a boatee wear a boater?

Or is it the other way around?

You and T. should enter a competition, man. You guys were totally showboating (in a really good way).

 [cvillette](#)

[October 1 2008, 17:31:25 UTC](#) [COLLAPSE](#)

 [trollcatz](#)

I dunno, but it always does me, too. Hey, maybe she's the reincarnation of Emma Goldman!

Devil's food chocolate cake with dark chocolate frosting and a FROSTING CARROT on top? Carrot cake from the Dark Side of the Force! Hulloo!

 [cvillette](#)

Dark side of the FROST, you mean.

 [cvillette](#)

[October 1 2008, 17:15:44 UTC](#) [COLLAPSE](#)

Eviller twin! Okay, I'm actually glad wabbit made me watch that. Because... yeah. Okay. I get it.

Look, to *our* wabbit, chocolate IS a vegetable.

 [Ometotchtli](#)

[October 1 2008, 17:17:29 UTC](#) [COLLAPSE](#)

It comes from a plant. I rest my case.

 [trollcatz](#)

[October 1 2008, 17:19:48 UTC](#) [COLLAPSE](#)

Heee! Eviller twin. Also crack about cloning and drugs. Also, "He looks so lifelike."

It's a show about icky, only with funny in it. We should have more funny. I bet the locals would hate us.
o.O

 [cvillette](#)

[October 1 2008, 17:22:03 UTC](#) [COLLAPSE](#)

Yeah, counter the opiate addiction with some amphetamines. There's a plan!

They have a name for that.

We should totally have more funny. No. Down the Hall should have more funny.

...Okay, Pistol Pete would fit right in, but Blaze belongs on Barney Miller.

 [trollcatz](#)

[October 1 2008, 17:25:06 UTC](#) [COLLAPSE](#)

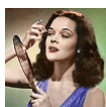

Oh, gah, he does. Pistol Pete would be good, though. Or on "First 48." He'd rock that. Wyomin' accent and all.

 [cvillette](#)

[October 1 2008, 17:27:21 UTC](#) [COLLAPSE](#)

Oh sure. I can just hear him drawling through it. "Maybe I'm not following you here, but your story doesn't quite add up. How did you get from the railway station to your mother's house? And did you call anybody along the way?"

 [Ometotchtli](#)

[October 1 2008, 17:33:01 UTC](#) [COLLAPSE](#)

[October 1 2008, 17:39:19 UTC](#) [COLLAPSE](#)

You'd be a hit! And every time you said "statistically" on camera, there would be an avalanche of underwear. *g*

 [cvillette](#)

[October 1 2008, 17:40:45 UTC](#) [COLLAPSE](#)

Statistically speaking, that's highly unlikely.

Some of us are born to be the goofy comic relief character.

 [Ometotchtli](#)

[October 1 2008, 17:44:52 UTC](#) [COLLAPSE](#)

You just keep telling yourself that, cutie-pie.

 [cvillette](#)

[October 1 2008, 17:41:54 UTC](#) [COLLAPSE](#)

Doesn't an avalanche of unknown women's underwear strike you as a little... unsanitary?

 [trollcatz](#)

[October 1 2008, 17:43:58 UTC](#) [COLLAPSE](#)

Well, you're supposed to wash them first.

...You're *not* supposed to wash them first?

Why does all the workplace-inappropriate behavior break out when I'm not there? Am I an ineffective role model?

Barring who-knows-what, I should be winging back tomorrow morning. We're up by three so far. Atlanta and Knoxville are unhappy.

Please, there's still two holidays before I have to figure out what to get my sister for Christmas.

Yes, I'm being insouciant. Reaction to having spent too many hours listening to a thoroughly unlikeable, unattractive person with a remarkably good memory. I shall return loaded down with karma points that will get me out of these little field trips for the next twelve months.

Wait, now it's four. And Charlotte, NC isn't happy, either. Well, I suppose there's happiness in the clearance. If, in fact, it was an open case.

Long, long ago, if anyone went to these parts they were exhorted to return with Krispy Kremes. How the mighty have fallen!
